DETAILED ACTION

Allowable Subject Matter

1. Claims 1, 3-11, 14-17, 38-50 and 55-56 are allowed.
2. The following is an examiner's statement of reasons for allowance: Claim 1 contains allowable subject matter for at least the reason that the prior art fails to teach or fairly suggest a filter comprising a light distribution component in communication with ridge array waveguides, wherein a groove separating the ridge array waveguides extends into the slab section of the filter and is filled in by another material as claimed with effective length tuners. Claim 38 contains allowable subject matter for at least the reason that the prior art fails to teach or fairly suggest a filter comprising a light distribution component in communication with array waveguides, the array waveguides having length changes and an association with effective length tuners so as to alter the location of a light signal as claimed.
3. Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
4. Any inquiry concerning this communication or earlier communications from the examiner should be directed to Krystyna Suchecki whose telephone number is (703) 305-5424. The examiner can normally be reached on M-F 8-6, with alternating Fridays off.
